Build skills to support your child's learning

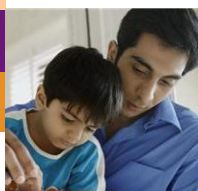

Maths Moving On Course

A FREE* course for people wishing to gain a Maths qualification

St Gregory's Catholic Middle School,

Biddenham Turn, Bedford, MK40 4AT.

20 weeks starting Tuesday 22nd November 1pm-3.30pm

- **Develop your maths skills so you are more confident using maths in everyday life or for work.**
- **Get individual support to work towards a maths qualification at a level that suits you.**

- **Build your confidence with maths so you can support your child(ren) to use maths at home and so you can help with homework.**

- **Find out about further learning opportunities which will help you meet your long term goals.**

Don't worry if you are not confident with maths – you can work at your own pace and level and you will be fully supported by an adult maths tutor

At each session you will spend 2 hours 30 minutes with an adult tutor learning about ways you can support your child to develop their maths skills. Your tutor will give you maths and number activities to do in between sessions.

Please ensure you bring your national insurance number with you to the first session. You will not be allowed to enrol without it.

To book a place please return this form to Heather Noble at St Gregory's Catholic Middle School OR email sthoble@st-gregorys.beds.sch.uk
